### SPLendid SHOW AT ROSWELL SAYS DR. BOYD

"Of course, I carried banner," says University President, When Asked About Boosting Trip.

"Of course I carried a banner in the parade," said President David H. Boyd of the State University this morning when a friend asked him as to the dignity of his leadership in the booster parade at Roswell this week. Dr. Boyd returned home from the Roswell fair last night.

"I was glad of the chance to carry that banner," said Dr. Boyd. "The president of the State Bankers' association was at the other end of it and we were keeping step with us live at crowd of boosters as ever invaded a neighboring city. We had a splendid time, too. The Roswell people were most hospitable, and they gave a live-stock and products display which was simply amazing. It astonished me, and I thought myself fairly familiar with the resources of the Pecos valley."

Dr. Boyd addressed the New Mexico Bankers' association, filling a vacancy on the program caused by the inability of Felix Martinez of El Paso to attend. He spoke to the bankers of the University's plan to train young men for commercial service in Latin America, and was warmly congratulated on the project by the New Mexico bankers and especially by visiting bankers from eastern financial centers.

### MORA COUNTY ALSO ON THE JOB WITH EXHIBIT

County Treasurer C. U. Strong of Mora Arrives This Morning With First Class Display of Products.

Mora county was among the exhibiting counties which joined in the haul of products at the state fair today. C. U. Strong, county treasurer of Mora county, and one of the most active boosters, is in charge of the display, which is a generous shipment of fruits, grains and farm products in general. Mr. Strong is making plans for the reception of a big delegation of his fellow citizens who are expected to reach Albuquerque Monday, and he will have a strong corps of assistants to aid him in the management of the display.

The Secret of its popularity is inside the bottle.

### SOCORRO COUNTY IS HERE WITH HUGE DISPLAY OF MINERALS

Twenty-two Tons of High Grade Ores of All Kinds Brought to Albuquerque by Colonel J. J. Leeson.

ONE CHUNK OF IT WEIGHS 3,800 POUNDS

Three Cars of Live Stock Also on Way to Albuquerque from the Magdalena District in Medley's Care.

Col. J. J. Leeson of Socorro, pioneer and expert exhibit man, arrived in Albuquerque this morning with the Socorro county mineral display, one of the largest displays of its kind ever assembled in the state. The exhibit weighs a total of twenty-two (22) tons, and includes a showing of almost every variety of mineral found in the New Mexico, the state which has a greater variety than any other state in the Union.

One huge chunk of the Socorro county ore weighs 3,800 pounds. It is a lead-zinc-silver bearing specimen which is said to be the largest chunk of its kind ever taken out of a mine in a single piece. The display also includes a wide variety of clays and building stone and will form an educational exhibit of the finest kind.

Socorro county will display no agricultural products, its arrangements having started too late for that. But it will make up for lack of farm products in its livestock show. Walter Medley of Magdalena is on his way here with three carloads of fine cattle and fancy sheep which will be shown in the fair stock pens.

Colonel Leeson has had wide experience in exhibit work. He was for several years a member of the old territorial immigration board and has prepared state displays for a number of expositions. He was instrumental in arranging the Socorro county mineral display in the New Mexico building at San Diego.

### SPIESS ADDS CUP TORIFLE TOURNEY TROPHIES

Las Vegas Man Volunteers Handsome Prize to Be Put Up in State-wide Shooting Competition Next Week.

Another trophy has been added to the prizes to be contested for next week by the teams in the New Mexico rifle shooting matches to be staged at the state fair grounds. Yesterday Hon. Charles A. Spiess of Las Vegas, charged secretary H. C. Miller, who is in charge of the match, authorizing him to purchase a cup to be contested for by the riflemen of the coming and future state shoots. The cup will be known as the "Charles A. Spiess cup" and will be a handsome trophy. Other cups that have been donated are those by Col. W. R. Hopewell, H. O. Burson and Adjutant General H. T. Herrin.

### TITTMANN BRINGS SIERRA COUNTY DISPLAY

Well Known Lawyer and Publisher Will Have Charge of Setting Up Mineral and Farm Product Show.

Edward D. Tittmann, well known lawyer and publisher of the Sierra Free Press, at Hillsboro, arrived in Albuquerque this morning bringing with him in the express car of the train the south five hundred pounds of exhibit material from Sierra county, a small part of what will come in a car from Sierra county tonight. It will be a comprehensive display of fruits, vegetables and farm products as well as a fine showing of minerals, and while Mr. Tittmann is modest about it he still thinks that Sierra county will have a pretty fine show when it is set up.

Mr. Tittmann will remain only until Monday night. J. D. McPherson of Hillsboro will be here with the rest of the display tonight and he will remain in active charge of it during the fair week.

Backache, headache, dizziness, kidney troubles, urinary troubles—frequently follow.

An Albuquerque citizen tells you what to do.

H. B. Schuster, 5086 South Edith street, Albuquerque, says: "In my work, I sometimes do heavy lifting. This constant strain began to tell on me. Sharp twinges shot through the small of my back and I had headaches and dizzy spells. I was in bad shape. I had often heard Doan's Kidney Pills recommended and I gave them a trial. The first box strengthened my kidneys and drove away all the aches and pains. Since then I have taken Doan's Kidney Pills when I have needed a good kidney medicine and they have never failed me."

### CONWAY AND BIG SANTA FE SHOW EN ROUTE

You Can Hear the Rumble of the Big Santa Fe County Noise Even at This Distance; Boss Here Tonight.

John V. Conway and the Santa Fe county display of fruits, vegetables, livestock, grain, minerals and boys and girls, also of boosters, are on the way to Albuquerque. You can hear them coming, if you listen, and there will be no need to listen after 7 o'clock tonight, for Conway and the show will be here then, and thereafter you will have to listen to the noise whether you want to or not; for John V. Conway is a booster who believes in boosting at all stages of the performance, and he announces that this time he has a show which will stand boosting to the ultimate limit.

It is given out in Santa Fe that Conway's display is going to win the \$1,000 county first prize. The summary of the exhibit makes it seem reasonable that the county has a chance, for it includes every possible resource of the capital county. It has been prepared at the expense of hard work and careful planning on the part of the county school superintendent and his assistants, and is due to make a killing.

### IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is a sign you have been eating too much meat, which forms uric acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and sluggish. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scale and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys; also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.
